

the ANNUAL GIVING 2010-2011 FALL 2011

The Annual Report of Southern Vermont College and St. Joseph College Community

From the President's Office: Dr. Karen Gross

Growth, Gains & Gratitude

DEAR SUPPORTERS OF SOUTHERN VERMONT COLLEGE,

It gives me great pleasure to send you the 2010-2011 Annual Report for Southern Vermont College. Over the past several years, the College has experienced remarkable institutional growth — growth in the number of admitted and enrolled students (including those choosing to live on campus); we have increased the number of faculty and staff and improved our physical plant. And, of course, all of this would not have been possible without equally remarkable growth in giving.

As the chart below indicates, **total giving to SVC in 2010-2011 (in dollars) was up 53 percent** from the previous year. One of the most exciting aspects of this is the increase in the number of alumni gifts — and importantly, first time alumni gifts represent almost half (49 percent) of all alumni gifts this year! And the vast majority of these new alumni gifts are from young alumni!

This increase in giving — particularly noteworthy in a down economy — shows a deep commitment to and a belief in the College and its mission, which bodes well for SVC's future.

I would like to extend a special thank you to the foundations, trusts and businesses that have supported many of our activities; these partnerships are key to our future. We have every reason to believe that our growth and progress will continue for the coming years. Indeed, the current year's giving is already well ahead of last year at this time, which is important as we have set ambitious fundraising goals for 2011-2012.

Our work at SVC has real meaning... it benefits our students, their families, our workforce, our communities and society in general. I am proud of the year just completed. I want to thank all of you. Your generosity is what makes our success possible.

— Warmly, Karen Gross

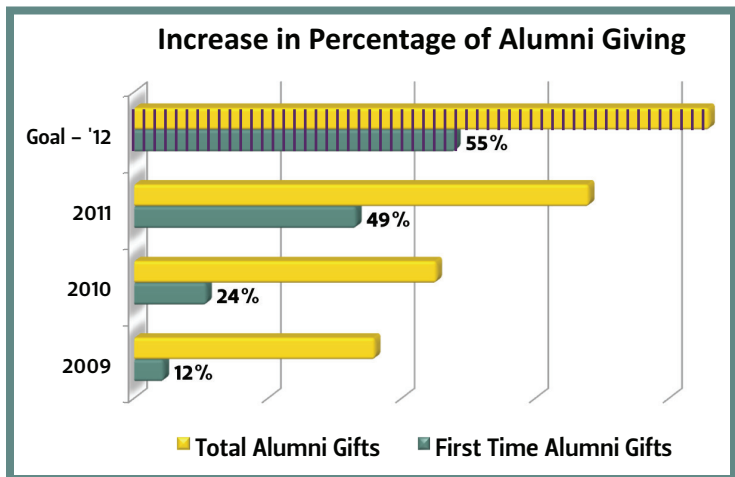

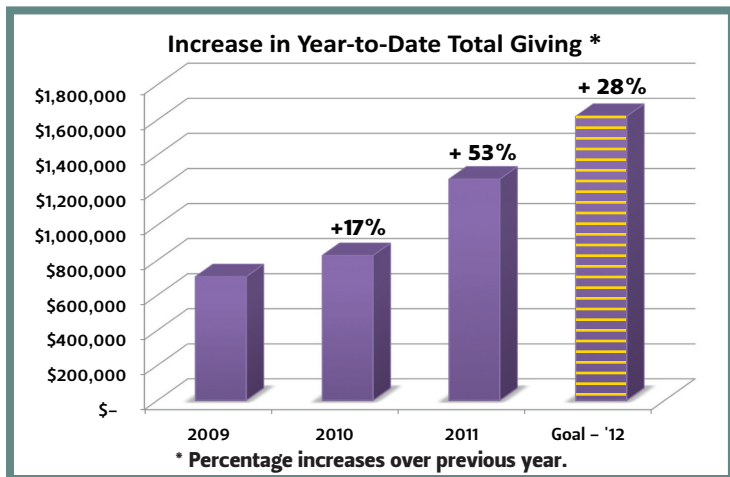

MOUNTAINEER MILESTONES 2010-2011

Mountaineer Scholars visit Bromley Mountain during summer pre-orientation.

- Pipelines into Partnerships Initiative — SVC welcomed 17 Mountaineer Scholars to campus this fall through a new program working with high schools and organizations to help vulnerable students succeed.
- Anatomy & Physiology Stretch Program — A new initiative launched last fall facilitates student success in the foundational healthcare course, Anatomy and Physiology.
- Campus Community Dinner Series — This program connects SVC students with Bennington community families, encouraging meaningful dinner conversations in the SVC dining hall.
- Library renovations — The College re-envisioned the library space, creating more study rooms, spacious congregating areas and enhanced tutoring center space.
- The College hired several new faculty including a Division of Nursing chair and many doctorally-prepared professors.
- Athletic team successes: Five out of the 10 SVC DIII teams obtained conference playoff berths. Men's Basketball made national news and NCAA history in November when it set a new record for longest game, with seven overtimes, vs. Skidmore College.

SVC's year-to-date total giving (in dollars) has increased steadily over the last several years, up 53 percent in 2010-2011 over 2009-2010. Alumni giving has also increased dramatically, with a major boost in new donors -- 49 percent of all alumni gifts in 2010-2011 were designated as first time gifts.

Honor Roll of Donors

Southern Vermont College gratefully acknowledges our generous donors for the 2010–2011 fiscal year. Thank you again for your commitment to the mission of the College.

Make a Centennial Gift in honor of the Mansion

THE EVERETT MANSION, which celebrates its 100th birthday starting this year, is 'home' to 550 students who chose SVC to pursue their education. Please consider a gift to the Annual Fund this year for \$100 or more, in honor of a place that provides many opportunities to our students. Use the attached envelope and mark your gift 'Centennial' in order to be acknowledged for a Mansion gift. Read more about the Mansion and the man who built it, at <http://www.svc.edu/centennial/>. If you attended Southern Vermont College, please send us your Mansion stories!

HANNOCK ART GIFT FROM HUNTER ESTATE

Last spring, Southern Vermont College received several works of art as a gift from the estate of Mrs. Irene Hunter, a longtime supporter of arts and education in the region. The collection comprises selected pieces by Stephen Hannock, a renowned American painter whose landscapes have earned him a reputation as "today's true American luminaist." Hannock's work, collected by celebrities such as Sting, Candace Bergen and Tom Brokaw, is exhibited at museums and galleries around the world. SVC's Hannock Collection is on display at the Bennington Center for the Arts and will be celebrated with a panel lecture including Hannock on *How Artists Find their Muse*, Nov. 10 at 2:15 p.m in the theatre at BCA.

SVC mourned the loss of beloved business professor, Dr. Robert Consalvo who died unexpectedly in January. Bob's 24 year legacy at SVC touched many lives; a scholarship named in his honor generated many gifts.

THANK YOU!

SVC's 2011 graduates are grateful for your support!

READ THE ONLINE JOURNAL: Read about longtime favorite visual arts professor Greg Winterhalter, world traveling photographer/SVC alum Max Flatow and more at the online journal for SVC alumni: <http://mansiondrive.svc.edu>
