And the Mountains Echoed is painfully sad but also radiant with love: the enduring bond of a brother and sister; the irritable but bedrock connection of cousins; the quiet intimacy of master and servant who become friends; the commitment of a doctor and nurse to war's victims. To underscore love's centrality and contingency, Hosseini closes with an image drawn from a dream: a snapshot of bygone happiness all the more precious in retrospect because we know how fragile it is.”—

‘And the Mountains Echoed’ is the third book of Khalid Hosseini which I have read and he is definitely up there as one of my favorite writers. Khalid is an amazing story teller and uses simple words to describe people and surroundings which is quite effective. The book is written in a different style from the previous two books of Khalid . The book contains different chapters and each chapter is told
