About the book. Beyond the Call follows three women through combat in Iraq and Afghanistan and documents one officer's relationship with Jamila Abbas, an Afghan feminist who was responsible for helping women and girls escape damaging relationships and start life over again, away from the reach of the Taliban. Jamila's life was threatened many times — her women's center was blown up by ...

[Beyond the Call - Star Trek Timelines Wiki](#)

"Beyond The Call" is a good example of how strong, committed actors can get mileage out of a script that is both hackneyed and occasionally unbelievable. Sissy Spacek and the terrific David Strathairn are both in top form as a psychologically damaged Vietnam veteran on death row for the killing of a policeman, and the woman who tries to get him ...
