Colonial India was the part of the Indian subcontinent that was under the jurisdiction of European colonial powers during the Age of Discovery. European power was exerted both by conquest and trade, especially in spices. The search for the wealth and prosperity of India led to the colonization of the Americas after their invasion by Christopher Columbus in 1492. Only a few years later, near the end of the 15th century, Portuguese sailor Vasco da Gama became the first European to re-establish dir

In Ghosh's study the dynamics of colonial inequities within interracial families reflect how gender and race hierarchies paralleled social order in the colonial settlements of the East India Company. Long before such relationships became taboo within the larger British Empire, the colonial mind was infested with such distinctions.

The British also created "divide and rule" policies, pitting Hindu and Muslim Indians against one another. In 1905, the colonial government divided Bengal into Hindu and Muslim sections; this division was revoked after strong protests. Britain also encouraged the formation of the Muslim League of India in 1907.

Dr. Debashree Mukherjee's recent book Bombay Hustle: Making Movies in a Colonial City is an ambitious history of these networks in Indian cinema, offering a portrait of the Bombay film industry during the talkie transition of the 1920s-1940s. The book draws on original archival research to explore what Mukherjee calls a 'cine-ecology', a definition of the cinematic universe that expands the idea of 'industry' to include the diverse energies, labour, technologies, desires, sites of ...

This chapter offers a historical interpretation of the career of group preferential policies from the late nineteenth century through to close of the Constituent Assembly debates. It shows that while group rights in the first half of the twentieth century saw steady expansion, their colonial proportions came to be scaled back eventually. The chapter also argues that the dynamic of containment ...
