"Fish in a Tree" was another book that I read because my daughter is reading it for school. The book is a quick and excellent read. It's easy to identify at the beginning that Ally Nickerson has dyslexia, even without reading the description of the book. For those reviewers who called it "predictable," it's important to keep in mind that the ...

"Everybody is smart in different ways. But if you judge a fish by its ability to climb a tree, it will live its life believing it is stupid." Ally has been smart enough to fool a lot of smart people. Every time she lands in a new school, she is able to hide her inability to read by creating clever yet disruptive distractions.
