ISO 10015 :1999, Quality Management - Guidelines For Training. To stay in the race, organizations must continuously re-invest in and upgrade the competence of their human resources. However, most managers do not know how to measure the benefits of training and the return on training investment. ISO 10015:1999; Quality Management - Guidelines for training, provides answers to the crucial question: “does it pay to train?”.
