## [Iso Processes And Procedures](#)

The ISO 9001 standard is based on a process approach.

(Establishing effective and efficient processes that are consistently followed and improved upon is the basis for

# File Type PDF Iso Processes And Procedures

most management standards.)  
Processes must have defined  
(and hopefully measurable)  
objective(s), input(s),  
output(s), activities, and  
resources. These key elements  
should be present when defining  
a process:
