[How to Change visio Premium 2010 product key to Standard ...](#)

As the thread title reads my Visio 2010 tries to configure each time I start the program. I currently have no other Visio version installed and never had one. My office is also the version 2010, but I had 2007 installed before, which is now uninstalled. Also I encountered the following behaviour: I created a new user account.
