This post will look in depth at the average net worth by age for the upper middle class. The upper middle class, aka the mass affluent, is loosely defined as individuals with a net worth or investable assets between \$500,000 to \$2 million. Some also define upper middle class as those who are college educated with incomes in the top 15%. A top 15% income is roughly \$100,000 or greater for ...
