But as a parent, there's plenty you can do to make seventh grade better for your child. It s a commonly held truth that no three years are as miserable in an American child s life as middle school. But those three years, so awkwardly sandwiched between elementary and high school, are not created equal. The top contender as middle school s worst year, in all of its cringe-worthy, hormone-infused, brain-addled confusion is seventh grade, a tween s annus horribilus.
