The new Miele range carries the quiet sophistication we are accustomed to seeing throughout the Miele product line. A few years ago, Miele made a bold statement by introducing a range that appeared sleek, refined and more contemporary than other high-end ranges. A new class in kitchen trends was born.

Comparing the Anova Precision Oven to other Steam and Non-Steam Counter Top Ovens. Several years ago, after reading *Modernist Cuisine at Home*, which dedicates two pages to combi-ovens, I wanted to experiment with this method of cooking and baking. However, there were no countertop combi ovens on the market, and if I wanted to replace my conventional oven with a combi-oven, it would end up ...
