These parts have been designed by Mikuni to allow for the correct amount of compression to be applied to the o-ring, and it is very important that the correct size and thickness of o-ring is used. Choosing a 10 x 1mm, or 10 x 1.5, the common metric sizes, because it is "close enough" is incorrect and will result in an inadequate seal or mis ...

Genuine Mikuni jets for BS series carbs. If your jet does not measure like the pictured jet do not buy it. There are so many variables regarding the type of jet that could be in the carb. We have no control over jets once they leave us; some customers drill them out, test and tune etc. therefore all jet sales have to be final so customers do ...
