[Mikuni American Corporation](#)

It's simple to identify a Mikuni Carburetor by looking at the top view of the float chamber cover, the cover gasket of the float chamber or the jet chamber cover gasket. The word Mikuni ought to be printed somewhere on the carburetor. It could be in small or large letters. To distinguish Mikuni from Solex, note that Solex printed carburetors with a made in Italy, Germany or anywhere else in Europe sign points to the fact that this is not a Mikuni carburetor but a purely European Solex.
