In 1991, after the Cold War had wound down, the climate had changed enough so that WAND changed its name to Women's Action for New Directions. The name brought with it a broadened mission: world peace and security, nuclear disarmament, and redirecting excessive military spending toward human and environmental needs.

[WHAT IS PEACE? CONCEPTS, QUALITIES, AND SOCIAL CONTRACT](#)

THE period for a new election of a Citizen, to administer the executive government of the United States, being not far distant, and the time actually arrived, when your thoughts must be employed in designating the person, who is to be cloathed with that important trust, it appears to me proper, especially as it may conduce to a more distinct expression of the public voice; that I should now ...
