[Revisiting Relational Youth Ministry From](#)

In Revisiting Relational Youth Ministry, Andrew Root explores the origins of a dominant ministry model for evangelicals, showing how American culture has influenced our understanding of the incarnation. Drawing from Dietrich Bonhoeffer, whose work with German youth in troubled times shaped his own understanding of how Jesus intersects our relationships, Root recasts relational ministry as an opportunity not to influence the influencers but to stand with and for those in need.

Book Review: Revisiting Relational Youth Ministry. A best friend is a youth worker and they love this happy chap called Andrew Root. They passed on this book and told me to read it. It excited them and I can understand why. Youth ministry is certainly not what I am called to, on account of the fact that I hate teenagers because I remember what ...

Just a look at the subtitles reveals the shift in emphasis in this second book. While Revisiting Relational Youth Ministry billed itself as a way for youth workers to develop a theology of incarnation, Relationships Unfiltered is touted as a practical book that will provide help for volunteers and parents to develop relationships with teenagers. For those who were fans of the first book, you may be worried that this second book is full of fluff and doesn't have as much theological prowess ...

Revisiting Relational Youth Ministry by Andrew Root. Quite simply, this book says that relationships aren't a youth ministry tool we use to get people to come to Jesus or to behave in a way we like. In fact, to do that is heresy. Instead, relationships are youth ministry, not a tool for youth ministry. This book is also dense, but worth the ...

"Revisiting Relational Youth Ministry establishes Andrew Root as a seminal voice in a new generation of youth ministry scholars. Fresh, wise and disciplined, Root exposes the sand on which much 'relational youth ministry' of the late twentieth century has been based, and recasts the church's ministry with young people in the Christology of Dietrich Bonhoeffer."

This combined concept is often referred to in terms such as 'Incarnational' youth work and the theory to practice concerning how this is outplayed is of much debate. With this in mind this assignment will give a brief description of Roots Revisiting Relational Youth Ministry and seek to critical evaluate his main arguments.

[Andrew Root Books | List of books by author Andrew Root](#)

In his first book, "Revisiting Relational Youth Ministry: From a Strategy of Influence to a Theology of Incarnation," he raised concerns about a type of youth ministry he had observed in which relationships were created and valued not for themselves but for the influence they might have to bring youth to Christ. That book had obvious possible implications for ministry in general and pastoral ministry in particular.

Relational youth ministry might be described as any step toward building a relationship with a student in your ministry. It could be a big step, it could be small—either way, it's simply the effort toward truly living in community and sharing life together. Of course some of you more theologically minded folks would come up with a much deeper description (likely having something to do with ...
