Amongst unintentional torts one finds negligence as being the most common source of common law. Most Americans are under the impression that most people can sue for any type of negligence, but it is untrue in most US jurisdictions (partly because negligence is one of the few torts for which ordinary people can and do obtain liability insurance.) [citation needed] It is a form of ...

Tort law involves claims in an action seeking to obtain a private civil remedy, typically money damages. Tort claims may be compared to criminal law, which deals with criminal wrongs that are punishable by the state. A wrongful act, such as an assault and battery, may result in both a civil lawsuit and a criminal prosecution, although in the U.S., the civil and criminal legal systems are separate.
