Understanding the Origin of the Greek Gods. The most complete version of the Greek creation myths that survives is a poem called the Theogony (Birth of the Gods) by a poet named Hesiod, who lived in the late eighth or early seventh century B.C. (that is, the low-numbered 700s or high-numbered 600s BC). Not much is known about Hesiod except that his dad lost all of his money when his ship sank, and his brother tried to rob him of his inheritance.
