

Southern Vermont College  
Learning Differences Support Program

***Do you have a physical, learning, or other disability which may require support or accommodations from our Learning Differences Support Program?***

Southern Vermont College offers a strong program of support for students who provide documentation of their learning disabilities, Attention Deficit Disorder, vision or hearing impairment, physical disabilities, or other disabilities. If you have not already submitted official documentation of a disability and would like to request accommodations or support from our Learning Differences Support Program, **complete the information below and return this form to the Learning Differences Program Coordinator as soon as possible.** The Learning Differences office will then send you information regarding the accommodations or support services which may be available and the specific documentation you must provide.

If you have any further questions, please contact:

Learning Differences Support Program Coordinator
