

WHEELOCK  
COLLEGE

## **Attention: High School Juniors and Seniors** ***Are you thinking about a career in HEALTHCARE?***

Think about the **Healthcare Academy** . . . a focused, one-credit program this summer held at both Southern Vermont College (Bennington, Vermont) and Wheelock College (Boston, Massachusetts) that will help you:

- Discover the challenges of providing healthcare in cities and in remote areas.
- Learn about the skills necessary for patient care.
- Practice basic skills in simulation and science laboratories as well as visit hospitals and medical facilities.
- Explore College and career options and the tools needed to be college-ready and career-ready.

**Class Session: July 28 - August 4**

**July 28-30 ~ Wheelock College (in residence)**

**July 31 - August 3 ~ Southern Vermont College (in residence)**

**August 4 ~ Return to Wheelock College**

*There is no cost. Students who are selected and complete the program will receive a full scholarship to attend, covering tuition, room, board and transportation. Upon registration, students must include a \$100 deposit which will be returned upon successful completion of the program.*
